General Eligibility

The FAFSA includes a series of questions that will determine a student's eligibility and dependency status. If a student is considered a dependent, the student will need to provide his/her parents' information as well.

Federal eligibility requirements to apply for Financial Aid include:

- You are a US Citizen or and eligible non-citizen
- You have a High Kenny's Academy of Barbering Diploma or General Education Development (GED) certificate
- You have a valid form of identification
- You have a valid Social Security Number
- You register with the Selective Service
- You must be enrolled as a regular student working toward a degree or certificate in an eligible program
- You are not in default of any federal student loans
- You do not owe a refund on a Pell Grant or SEOG at any Kenny's Academy of Barbering
- You demonstrate that you have need. (Need is the difference between the cost of education and expected family contribution). Need is determined by the information that is supplied on the FAFSA, free application for student aid.
- You maintain satisfactory progress towards completing your course of studies
- You sign a statement of updated information

The Kenny's Academy of Barbering is required by federal law to advise you that, except in the case of a loan made or originated by the institution, your dissatisfaction with or non-receipt of the educational services being offered by the institution does not excuse you (the borrower) from repayment of any Stafford Loan made to you (the borrower) for enrollment at this Kenny's Academy of Barbering.

Title IV Processing

- Once a student completes and submits a FAFSA, the information contained on the FAFSA is reviewed by the Department of Education's Central Processing System. An estimated family contribution will be calculated using a formula approved by Congress, which is based on the student's (and/or spouse or parent's) income and asset information. The student's EFC will determine the amount of Federal Pell Grant funds the student may be eligible to receive. In certain cases, verification of information submitted may be required. If the student's FAFSA is selected by the Department of Education's CPS, the Kenny's Academy of Barbering will be required to complete additional steps to ensure the information the student provided on the FAFSA is correct.
- Determining Financial Need: The student's financial need is the difference between the actual cost of their education and the amount that the student (or parents) will contribute (the EFC). Financial aid is then used to cover the gap between these contributions and the total cost of the student's education.
- Each Kenny's Academy of Barbering and each program within the Kenny's Academy of Barbering has a different student expense budget. This will depend upon the tuition, course length, books, fees, supplies, etc. Actual tuition, books, fees, and supplies for a program in which the student enrolls can be obtained from the Kenny's Academy of Barbering's Financial Aid office.
- Example:
 - Cost of Attendance *including tuition, fees, books, supplies, room and board, transportation, and miscellaneous personal expenses*
 - - The student's EFC
 - = The student's financial need

Verifying FAFSA Information

A student applying for financial aid may be required to verify the information submitted on their FAFSA. This inquiry is known as verification and is required by the Department of Education. If a student's application is selected for verification, the Kenny's Academy of Barbering will require the student to submit any or several of the following items within a specified time frame in order to continue processing financial aid:

- Adjusted gross income (AGI) for the base year
- U.S. income taxes paid for the base year

- Number of family members in the household
- Number of family members attending postsecondary education as at least half-time students
- Any child support received
- Any food stamps received
- Other untaxed income and benefits
- High Kenny's Academy of Barbering completion status
- Identity/statement of educational purpose

All of the required information must be submitted by the due date in order for the student applying for financial aid to be eligible for federal assistance. In cases where this is not possible, the student will be required to pay cash or set up a satisfactory payment arrangement to maintain his or her regular enrollment status.

Receiving an Award Notification

After evaluating a student's financial aid application, the student's eligibility for financial aid is determined and the Kenny's Academy of Barbering issues a financial award aid package detailing the student's estimated cost of attendance and the financial aid awards by fund type. The Kenny's Academy of Barbering's Financial Aid Administrator will discuss the contents of the award package with the student, and the student will acknowledge the receipt of the award package.

Maintaining Regular Enrollment Status and Satisfactory Academic Progress

After the student's eligibility is determined, the amount of financial aid and the receipt of funds are contingent upon the student's (a) enrollment status and (b) ability to meet satisfactory academic progress.

1. Maintaining Enrollment Status

To receive the benefit of a grant, A student may be enrolled full-time; ¾ time; ½ time, and less than ½ time. When student's enrollment status changes Pell Grant amount must be prorated accordingly, To receive Federal Direct Loan funds, a student must be enrolled at least half-time, as defined by the Kenny's Academy of Barbering financial aid policies.

The amount of certain federal grants and loans may be adjusted or prorated, depending on the student's enrollment status. The Kenny's Academy of Barbering must administer federal aid in accordance with federal regulations

A student's financial aid award may be adjusted up through the last day of attendance for tuition adjustment due to enrollment changes

A student who registers for classes but does not attend at least one class session is not eligible to receive federal, state, or institutional funds

2. Meeting Satisfactory Academic Progress

A student receiving financial aid must maintain certain standards of academic progress toward graduation, and the Kenny's Academy of Barbering is required to have and enforce a policy to check academic progress throughout the course of the student's program of study. Therefore, an eligible student applying for financial aid must maintain the Kenny's Academy of Barbering's standards of academic progress in order to be eligible to receive financial aid funds.

Disbursing Financial Aid Funds

Financial aid is disbursed in increments throughout the student's payment periods or period of enrollment. A payment period is the length of time the student takes to earn a specific number of hours of attendance in Kenny's Academy of Barbering. Upon a student meeting eligibility, a student's financial aid funds are disbursed at the beginning of each payment period. The following is an example of how funds are scheduled to disburse for an eligible student in a **1500** clock hour program.

Academic Grade Level Year 1 (900 Clock Hours)		Academic Grade Level Year 2 (600 Clock Hours)	
Payment Period	Payment Period	Payment Period	Payment Period
1 Hour	450 Hours	900 Hours	1200 hours

The Kenny's Academy of Barbering must notify a student (or parent) when financial aid funds are disbursed and credited to the student's account by issuing a letter and a copy of the student's account/student ledger card.

The ledger card indicates the net disbursement amount received by the Kenny's Academy of Barbering. The actual loan disbursements received may differ slightly from the amount received due to loan fees and rounding differences.

Changing Enrollment Status after Receipt of Financial Aid

A student's decision to drop or change a program of study is based on academic and personal considerations and should be made in consultation with the Kenny's Academy of Barbering Director and the Financial Aid Administrator. Changing program schedules, dropping coursework, or withdrawing from Kenny's Academy of Barbering has implications for student eligibility of financial aid funds and may result in a balance owed to the Kenny's Academy of Barbering.

Returning Title IV Funds (R2T4)

A student earns his or her financial aid (Title IV) funds on a prorated basis over the first 60% of the scheduled hours for that payment period. After attending 60% of the scheduled hours of the payment period, the student is eligible to retain 100% of the Title IV funds scheduled for that payment period.

As a result, the Kenny's Academy of Barbering is required to return financial aid (Title IV) funds, if a student receiving financial aid withdraws during the first 60% of the scheduled hours for that payment period. The refund calculation and process is governed by federal regulation, and the Kenny's Academy of Barbering is required (a) to determine the portion of aid earned by the student up until the date of withdrawal and (b) to refund or repay the amount of unearned aid.

For the purposes of the Title IV refund policy, the student's official withdrawal is the date the student initiated the withdrawal process or notified the Kenny's Academy of Barbering of his or her intention to withdraw. In the event of an unofficial withdrawal, the Kenny's Academy of Barbering determines the student's last date of attendance that is documented in the Kenny's Academy of Barbering's records and uses that date as the withdrawal date. The U.S. federal government determines the amount of Title IV funds a student has earned, as of the withdrawal date.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of the scheduled hours in your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the scheduled hours in your payment period, you earn all the assistance that you were scheduled to receive for that period. If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your KENNY'S ACADEMY OF BARBERING must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. KENNY'S ACADEMY OF BARBERING may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with KENNY'S ACADEMY OF BARBERING). KENNY'S ACADEMY OF BARBERING needs your permission to use the Post-withdrawal grant disbursement for all other KENNY'S ACADEMY OF BARBERING charges. If you do not give your permission (some Kenny's Academy of Barberings ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow KENNY'S ACADEMY OF BARBERING to keep the funds to reduce your debt at KENNY'S ACADEMY OF BARBERING.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct Loan Funds that you would have received had you remained enrolled past the 30th day. If you receive (or your KENNY'S ACADEMY OF BARBERING or parent receive on your behalf) excess Title IV program funds that must be returned, your KENNY'S ACADEMY OF BARBERING must return a portion of the excess equal to the lesser of: your institutional charges multiplied by the unearned percentage of your funds, or the entire amount of excess funds. KENNY'S ACADEMY OF BARBERING must return this amount even if it didn't keep this amount of your Title IV program funds. If your KENNY'S ACADEMY OF BARBERING is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with KENNY'S ACADEMY OF BARBERING or the Department of Education to return the unearned grant funds. The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that KAB may have. Therefore, you may still owe funds to KAB to cover unpaid institutional charges. KAB may also charge you for any Title IV program funds that KAB was required to return.

PAYMENT OF A REFUND OR RETURN OF TITLE IV, HEA PROGRAM FUNDS TO THE SECRETARY

By applying for a Direct Loan, a borrower authorizes the KAB to pay directly to the Secretary that portion of a refund or return to title IV, HEA program funds from the KAB that is allocable to the loan. KAB:

Must pay that portion of the student's refund or return of title IV, HEA program funds that is allocable to a Direct Loan to the Secretary; and

Must provide simultaneous written notice to the borrower if KAB pays a refund or return of title IV, HEA program funds to the Secretary on behalf of that student.

b. Determination, allocation, and payment of a refund or return of title IV HEA program funds. In determining the portion of a student's refund or return of title IV, HEA program funds that is allocable to a Direct Loan, the KAB must follow the procedures established in 34 CFR 668.22 for allocating and paying a refund or return of title IV, HEA program funds that is due.

RETURN OF TITLE IV FUNDS BY KAB

KAB must return the unearned aid for which KAB is responsible by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

TITLE IV PROGRAMS

- *Unsubsidized /Direct Stafford Loan*
- *Subsidized /Direct Stafford Loan*
- *Pell Grant*
- *Parent Plus*

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

If a student withdraws, the Kenny's Academy of Barbering is required to calculate and return all unearned financial aid for that payment period and is subject to the Return to Title IV policy. As a result, the Kenny's Academy of Barbering must (a) complete the refund calculation in a timely manner, (b) adjust the awards, (c) refund/repay the unearned aid, and (d) notify the student in writing of the refund calculation results. If a refund of Title IV funds is required, funds are returned to the appropriate federal aid program(s) in the following order:

1. Federal Unsubsidized Direct Loan Program
2. Federal Subsidized Direct Loan Program
3. Federal Direct PLUS Program
4. Federal Pell Grant Program
5. Federal SEOG Program
6. Other Title IV Program
7. Other federal, state, private and institutional programs
8. Student

Reapplying for Financial Aid

Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Title IV aid – they do not count if the offense was not during such a period. Also, a conviction that was reversed, set aside, or removed from the student’s record does not count, nor does one received when she was a juvenile, unless she was tried as an adult.

The student regains eligibility the day after the period of ineligibility ends or when he successfully completes a qualified drug rehabilitation program. Further drug convictions will make him ineligible again.

Students denied eligibility for an indefinite period can regain it only after successfully completing a rehabilitation program or if a conviction is reversed, set aside, or removed from the student’s record so that fewer than two convictions for sale or three convictions for possession remain on the record. In such cases, the nature and dates of the remaining convictions will determine when the student regains eligibility. It is the student’s responsibility to certify that he/she has successfully completed the rehabilitation program.

When a student regains eligibility during the award year, Pell aid may be awarded for the current payment period and Direct loans for the period of enrollment.

Alcohol consumption causes a number of marked changes in behavior. Even low doses of alcohol significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. The use of even small amounts of alcohol by a pregnant woman can damage the fetus. Low to moderate doses of alcohol also increases the likelihood of a variety of aggressive acts. Moderate to high doses of alcohol cause marked impairment in higher mental functions, severely altering a person's ability to learn and remember information. Heavy use may result in chronic depression and suicide, and may also be associated with the abuse of other drugs. Very high doses can cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce effects described above for very high doses. Long-term, heavy alcohol use can cause digestive disorders, cirrhosis of the liver, circulatory system disorders and impairment of the central nervous system, all of which may lead to Early death.

Repeated use of alcohol can lead to dependence, and at least 15-20 percent of heavy users eventually will become problem drinkers or alcoholics if they continue drinking. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations and convulsions, which can be life threatening.

The use of illegal drugs, and the misuse of prescription and other drugs, poses a serious threat to health. For example, the use of marijuana may cause impairment of short-term memory, comprehension, and ability to perform tasks requiring concentration. The use of marijuana also may cause lung damage, paranoia and possible psychosis. The use of narcotics, depressants, stimulants and hallucinogens may cause nervous system disorders and possible death as the result of an overdose. Illicit inhalants can cause liver damage.

There are significant risks associated with the use of alcohol and drugs. These risks include impaired academic or work performance; lost potential; financial problems; poor concentration; blackouts; conflicts with friend and others; vandalism; theft; murder; sexual assault and other unplanned sexual relationships; spouse and child abuse; sexually transmitted diseases; and unusual or inappropriate risk-taking which may result in physical or emotional injury or death.

SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress at *scheduled* hours:

<u>Course</u>	<u>Course Hours</u>	<u>Evaluation Points</u>
---------------	---------------------	--------------------------

Barbering	1500 Hrs.	450, 900, 1200 clocked (<i>scheduled</i>) hours
Instructor	1000 Hrs.	450, 900, (<i>scheduled</i>) hours

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. Kenny's Academy notifies students of any evaluation that impacts the student's eligibility for financial aid.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

<u>Course</u>	<u>Coarse Hours</u>	<u>Schedule</u>	<u>Max Weeks</u>	<u>Max Scheduled Hours</u>
Barbering	1500 Hrs.	34 hrs./wk.-Full/T	45.00 Weeks	2250
Barbering	1500 Hrs.	20 hrs./wk.-Part/T	75.00 Weeks	2250
Instructor	1000 Hrs.	34 hrs./wk.-Full/T	30.00 Weeks	1500
Instructor	1000 Hrs.	20 hrs./wk. Part/T	50.00 Weeks	1500

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours. Students who exceed the maximum time frame will be deemed ineligible to receive Title IV. However, student may be eligible to continue on a cash pay basis. Student who cannot pay cash will be dropped from the program.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school.

Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

- 93 - 100 EXCELLENT
- 85 - 92 VERY GOOD
- 75 - 84 SATISFACTORY
- 74 and BELOW UNSATISFACTORY

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining

Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

LEAVE OF ABSENCE

If enrollment is temporarily interrupted for a Leave of Absence, the student 2 weeks prior must submit in writing personally with the reason for the temporary leave of absence. There must be a reasonable expectation that the student will return from the LOA. The student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. You must not exceed 180 days in a 12-month period. Additional charges will not be assessed as a result of a Leave of Absence. Leave of Absences may be granted for medical or non-medical reason but it must be in writing in person unforeseen circumstances which will not allow the student to contact the school such as car accident and approved by administration. The new graduation date if applicable will be changed in our student computer system and a contract addendum must be signed by all parties. We will not make any changes to the contract and no refund calculation form will be required.

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

The withdrawal date will be the last day of attendance. The student would be determined to have withdrawn from the school on the date:

1. you notify the Director in writing of your plan to withdraw.
2. the school terminates your enrollment due to a violation or unsatisfactory academic progress.
3. you fail to attend class for 14 consecutive days without notice or any contact with the school.
4. you fail to return after a leave of absence.

A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time;

At an institution that is not required to take attendance, if a student does not return to the institution at the expiration of an approved LOA (or a student takes an unapproved LOA), the student's withdrawal date is the date the student began the LOA. At an institution required to take attendance, the withdrawal date for the purpose of calculating a refund is always student's last day of attendance

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours. Transfer hours will not count towards attendance progress evaluation, Transfer hours only count towards the total number of hours needed to complete the program in which the student is enrolled.

ACCESS TO STUDENT RECORDS POLICY

Students and parent/guardians of dependent minors are guaranteed the right to access and review the student's educational file. Students must submit a written request to review their file to the school director. The student will be granted supervised access to their records within five business days of the request. Any third-party request for information will require written authorization from the student or parent/guardian of a dependent minor. A student who is granted a Leave of Absence by the Kenny's Academy of Barbering, is not considered to have withdrawn from the Kenny's Academy of Barbering. A Leave of Absence will not affect the student's maximum time frame for completion however it will affect their scheduled

graduation date. In cases where a student's scheduled date of completion is changed and a contract addendum may be required to complete student training.

In order to be placed on Leave of Absence, the student must:
